Student Support Workers Competition 1911 (Casual, open until filled)

The Student Support Worker, which reports directly to the Student Support Director, is required to work with students with special needs and classroom teachers to facilitate student learning and educational development.

The successful applicant(s) will have a demonstrated ability to work with students with special needs, to collaboratively develop and implement programs and IEPs for students, and to offer instructional support in or out of the classroom using appropriate resources in accordance with individual student needs.

A student support worker certificate or equivalent is required, ideally with recent related experience in a school setting.

All staff must be willing to sign a Statement of Christian Faith, and have a heart dedicated to Christian Education.

Quoting the competition number in the subject line, direct your cover letter and resume to Bruce Birch, Principal at office@nccschool.ca. For more information about our school please visit our website at www.nccschool.ca.

We offer a unique opportunity to live out your faith in an atmosphere of caring.
