Dear Parents,

**Therefore, I intend to keep on reminding  
you about these things, even though  
you already know them and are  
firmly established in the truth  
that you now have.**

**2 Peter 1:12**

Remembrance Day is fast approaching. We will be hosting our **Remembrance Day Assembly at 10:30 on Thursday, Nov. 10** of next week. (Parents are welcome to attend.) I have been asked in the past the rationale on having a holiday remembering events of past wars. That isn't what Remembrance Day is about. While war may be necessary at times, it is not something to celebrate. Rather it is something that we do our best to avoid. However, the sacrifice of others to ensure freedom is something that needs to be remembered. The forces that were attempting to steal freedom needs to be remembered so that we do not re-enact history. This is the purpose of Remembrance Day: Remembering the cost of the freedom we have, so as to realize its value and take care to preserve it. It is a time to honour the memory of those who put their lives on the line (some to the point of actually dying) in order to preserve the freedoms each of us enjoy today: the freedom to worship God, the freedom to live where we choose, the freedom to work at what we choose, the freedom to have the choice of Christian Education. These are some of the freedoms we have due to what others have sacrificed. This is what we are remembering on this day.

This week we are also holding a Fun Fair on Wednesday night from 5:30-7:30. Be sure to mark this on your calendar and come out for some fun!
