Dear Parents,

Commit your work to the Lord, and your plans will be established.
(Proverbs 16:3 ESV)

*Do not be anxious about anything, but in everything by prayer and supplication
with thanksgiving let your requests be made known to God.*
(Philippians 4:6 ESV)

We are quickly approaching our Fall AGM. At a time when the world is trying to strip identity from children in the name of inclusion, NCCS is one of many schools whose aim is to instill that God gives identity to His children: identity that is full and abundant without being influenced by society, social media, politics, or feelings. A solid foundation upon which to build a life that will experience abundant blessings.

To achieve this, we have to ensure that the vision of NCCS and its Board is clear in focus, Biblical in nature, academically sound, that the school is run with wisdom, upholds standards for excellence, and that there is unity among administration, staff, and parents regarding both the daily operation and the implementation of future goals.

This is a big undertaking and not one that should be taken lightly. The fact that you have your child(ren) enrolled at NCCS speaks highly of your commitment to see them succeed academically, socially, and spiritually.

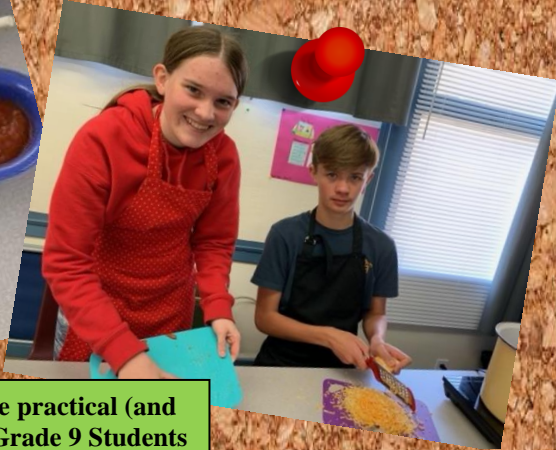

Your NCCS School Board also desires this for every student and family associated with the school. They work hard ensuring that policy is biblical and reflects the goals and mandate of the school, and that budgets are balanced and monies are used in the best and most responsible manner. That is important work and I want to publically thank Sarah Pearson, Jami Ireland, Lacey Kvist, Tracey Hackler, and Colleen Anderson (your school board) for all that they do.

With our growing school, this task can appear large and daunting, yet, the more families that get involved and help out, the easier and more fully it can be done.

The AGMs (which occur in the Fall and in the Spring) are two impactful ways that families can support the school and its Board in helping to achieve the Vision, Mission, and Values of NCCS and continue impacting your child(ren) with an education that holds tightly to a Christian Worldview.

We look forward to seeing you this coming Thursday. Let's stay a united, informed, and involved community as we work together providing our children the education that will enable them to become effective leaders of tomorrow.
