## Be Fruitful and Increase

Angela Zieske

God blessed them and said to them, "Be fruitful and increase in number..." Genesis 1:28

It seems appropriate in the face of a growing school population that we start off the year with a word about increase and fruitfulness. God blesses His people with increase in the fruit of their wombs and with the fruit of their labours. Lucky for us He is still in the business of increasing and blessing His people today.

We recently received a testimony from one of our beloved and faithful volunteers who experienced a miracle when the school law mower gas was multiplied and increased right before her eyes! Our Board Chair Amanda is also pregnant in answer to many prayers last year, others have experienced miracles of healing in their bodies this past month and so much more could be told. And should this kind of increase and blessing really surprise us? We see Jesus blessing the loaves and the fishes and how they increased and multiplied so that a great multitude of people were fed and satisfied. These things were written so that we might believe! They were written to give us hope in every trial that God really is for us, and is working all things together for good. (Romans 8:28)

All this wonderful increase has perpetuated a need for more Board members, another bus and driver and of course more desks, more staff, (more patience at times), and so much more to give thanks for. And we do lift up our voices to God in thanksgiving and praise for all he has done and will continue to do to build and establish a school that would shine with ever-increasing glory in our city and in the world. To God be the glory forever! Amen.

## PRAYER AND PRAISE

Please join us in a prayer of gratitude to our Father who has a plan and a purpose, for His will to be done on earth as it is in Heaven. Prayers have been answered through the power of the Holy Spirit and the mercy and grace of our Saviour, Jesus Christ in that the school has increased in enrolment. Thank you.

## PROMO COMMITTEE

We have a new leader of this committee to take our 2014-2015 school year to newer levels.

I would like to take advantage of this opportunity to introduce myself to you. My name is Germien Stals. I'm a mother of five and my oldest two children are currently in Grade 1 and Grade 2. We have been a part of NCCS since 2012 and it's always been a pleasure and great experience. I truly believe that our school is one of a kind in our community and that we should strive to keep and portray excellence in everything we do by the way that our students present themselves to what we put forward to the public regarding anything that pertains to our school. I am therefore excited to be a part of this committee to constantly strive for levels of excellence & help build NCCS to a bigger, better & greater school.

Our first event of the year is the Fall Pumpkin Fest to be held on October 9<sup>th</sup> ...keep an eye out for your invitation

## MESSAGE FROM THE PRINCIPAL

### Terry Fox Run

It gives me great pleasure to announce that we have had a very successful Terry Fox Run at our school on Wednesday. We hope to exceed our target of \$872.80 this year, thanks to the enthusiasm and hard work of our students, staff and parents. Thank you for your contributions and may you be blessed by Him “in whom all blessings dwell” and “from whom all blessings flow”! Well done!

Students have until Monday to return their pledge forms with the money they have collected. Just a reminder that if students collect more than \$872.80, I will “lose my hair” in the gym during chapel next Wednesday.

### New Families

I hope that all our new families have settled in well into our school community and that our new students have made some good friends over the last few weeks. Please feel free to come and speak to me or your child's teacher should you have concerns or comments to make around any issue concerning the school or your child.

*Mr. Andrew Martin, Principal*

## BOARD CORNER

I am so happy to announce that our school numbers for the year; God has blessed us in many ways. We currently have 54 families registered and 93 students.

We are pleased to inform you that the second bus will be put on the road effective Monday, September 29th. Drid Elias will continue to drive the Full sized bus (#1) and Nikki Flood has accepted our offer of employment to drive the second short bus (#2). We appreciate your patience as we move into having two buses running and what should be a more safe and efficient ride for our students and bus drivers. A hard copy of the two routes will be sent home with your student Thursday September 25<sup>th</sup>. In the event that we have conflicting field trips or perhaps a breakdown, the single bus route will be put into operation. You received the single bus route printed on neon green paper last week.

Mark your calendars to attend the Quesnel Interdenominational Christian School Society Fall General meeting here at the school in the gym on Thursday, October 30<sup>th</sup> starting at 6:30 pm (worship at 6:00 pm). Membership must be paid in order to receive your package on October 16<sup>th</sup>.

Please continue to Pray for our school as we endeavour to follow God's plan for our children and families!
