Grade 6-9 Elementary – Junior Secondary Part-time Teaching Opportunity at NCCS Competition 1906 (.2 FTE)

Are you looking to work in a school that is committed to inspiring a generation of students who radiate the light of Jesus Christ in this world? Do you want to empower students to reach their fullest individual potential academically, spiritually and physically, and to provide them with a quality education that has a biblical foundation?

North Cariboo Christian School is seeking a part-time (.2 FTE) Grades 6-9 Teacher for September 2019. This position teaches Computer, Applied skills, Bible and Phys.Ed. on Mondays. If you have a desire to teach in a school that is committed to collaboration, mentorship, and creating inspiring educational experiences within an independent interdenominational Christian school setting, we would like to hear from you. Quoting the competition number in the subject line, direct your cover letter and resume to Andrew Martin, Principal at office@nccschool.ca.

Our Teachers must be BC certified and have a dedication to Christian Education. Entry level salary begins at \$38,220 per annum with a competitive benefits package. A complete job description can be provided through our office. For more information about our school please visit our website at www.nccschool.ca. This competition is open until filled.

NCCS opened its doors in 1994. We have grown to a size of 96 students from Grades Kindergarten to Grade 9. Quesnel, BC, is a vibrant city with a population of 25,000 including outlying rural areas. See www.city.quesnel.bc.ca/ for more information.
